

The Go Further project has been developed by Greater Manchester Higher, a partnership of universities and colleges working together to provide high quality Higher Education (HE) outreach activities for local schools and colleges as part of the National Collaborative Outreach Programme (NCOP).

Go Further is a series of interactive sessions delivered by trained Go Further Student Ambassadors. Our Pupils meet and work with a current undergraduate student on a regular weekly basis.

Year 9 - Go Further Project

Go Further activities help to develop:

- Decision-making skills
- Transition skills
- Study skills and revision techniques
- Knowledge of post-16 options and HE pathways
- Aspiration and positive attitude toward HE study
