

Year 7 - 'Our Way' Programme

Year 7 Pupils will take part in a year long programme to help them in different Co-op Academies Trust values. They will learn different skills to help them in their future careers.

We are proud to be a part of Co-op Academies Trust, united by the values that our pupils and staff live by.

Self-help, Self-responsibility, Democracy, Equality, Equity and Solidarity.

We show these values by working together for everyone's benefit, and playing a full part in the community. Through a great education we are changing the lives of young people across the north of England. Built on the same principles as all co-operatives, we work to empower teachers and young people to work together for a better education and a better community.

Young people are saying that the education system needs to do a lot more to prepare them for life after school and college.

Year 7 - 'Our Way' Programme

This will raise awareness of the importance of a 'curriculum for life' for all young people. We are taking part in the #PSHE4ME campaign with Manchester Youth Parliament. Our students will learn about finances, relationships and sex, the political system, cultural awareness and community cohesion, sustainable living and citizenship.
