### **1. INTRODUCTION:**

<b>1.1</b>	We believe in the highest quality of provision for our students and we allocate resources appropriately and within guidelines to ensure that good value for money is achieved.
<b>1.2</b>	In accordance with the Education Reform Act of 1988 and in accordance with Sections 449 - 462 of the Education Act 1996 no charges are made to any registered pupil for any books, materials, equipment or apparatus used during school hours.
<b>1.3</b>	We apply the charging policy in line with Section 457 of the Education Act 1996 which e.g. allows charges to be made for residential school trips and artefacts made in school and taken home.
<b>1.4</b>	Questions and queries about this policy or discussions regarding the application of this policy to an individual student can be addressed by contacting the main school office and enquiries will be dealt with in confidence by a senior member of staff.

### **2. Aims and Objectives**

<b>20.1</b>	We believe that no student should be disadvantaged as a result of home or family background circumstances and apply a remissions policy. The Principal and Governors may remit some charges in part or in full as reasonable in particular individual circumstances.
<b>2.2</b>	The charging and remissions policy is an integral part of our inclusive arrangements for students and is applied equally to all students.
<b>2.3</b>	The aims of this Policy are to: <ul style="list-style-type: none"> <li>• Set out what the school will not charge for, what it will make a charge for or request a voluntary contribution towards, from parents/guardians.</li> <li>• Clarify how charges will be determined, so parents and guardians understand why requests for payment are sometimes made for some activities.</li> </ul>

### **3. Activities without charge:**

<b>3.1</b>	There will be no charge for the following activities: <ul style="list-style-type: none"> <li>• <input type="checkbox"/> Education provided wholly or mostly during school hours. This includes the supply of any materials, books, instruments, other equipment and also transport provided in school hours to carry pupils between the school and an activity.</li> <li>• Education provided outside school hours if it is part of the National Curriculum or part of a syllabus for a prescribed public examination, which the pupil is being prepared for at the school.</li> <li>• <input type="checkbox"/> Instrumental and vocal music tuition, which is part of the National Curriculum</li> <li>• Entry for a prescribed public examination including re-sits provided that a pupil has been prepared for it at the school.</li> </ul>

#### **4. Voluntary contributions:**

<b>4.1</b>	Where the school cannot levy charges and it is not possible to make these additional activities within the resources ordinarily available to the school, the school may request or invite parents to make a contribution towards the cost of the trip or activity. Pupils will not be treated differently according to whether or not their parents have made any contribution in response to the request or invitation. However, where there are not enough voluntary contributions to make the activity possible, then it will not take place.'
